Re: Phil Sheridan Lode, Permit No. M-1988-081, Request for 2nd Five-Year Period of Temporary Cessation (TC-02)

Mr. Covey:

On November 20, 2020, the Division of Reclamation, Mining and Safety (Division) considered your request for a 2nd five-year period of Temporary Cessation (TC-02) complete for filing purposes. Pursuant to Rule 1.13.6, the Division will send notice of your request to the county(s) and any municipality(s) located within two miles of the mining operation.

The receipt of the Notice of Temporary Cessation (Notice) will be placed on the Consent Agenda of the December 16-17, 2020 meeting of the Mined Land Reclamation Board (Board), unless one or more of the following conditions occurs:

1. Reclamation or performance standard issues are indicated in the Notice.
2. Such issues are indicated by a field inspection of the mine site.
3. Such issues are indicated by a review of the mining operation file.
4. Concerns are expressed about the Notice by interested persons.

If one or more of the above conditions occurs, the Division will schedule a Formal Public Hearing for the Notice on the agenda for a subsequent Board meeting. During that meeting, the Board will consider whether or not to accept the Notice.

If you have any questions, you may contact me by telephone at 303-866-3567, ext. 8129, or by email at amy.eschberger@state.co.us.
