RE: FMIC Mining Permit No. M-2020-028

Dear Ms Eschberger:

On behalf of Fountain Mutual Irrigation Company (FMIC), I am respectfully requesting a two (2) week extension for the review of our submittal of the Construction Materials Special Operation 111(1)(b) Reclamation Permit Application Forms for the referenced permit submitted to your office today, November 20, 2020. Per your email sent to me today, there appears to be some errors or incomplete information that needs to be corrected for this permit application that can be remedied within this two (2) week extension period.

FMIC would appreciate this additional time to make these corrections and resubmit the correct permit application forms. Thank you for consideration of this request.

Respectfully,

**Gary L. Steen, P.E.
