**Re: Bowie No. 2 Mine, Permit C-1996-083,
Technical Revision Number 122 (TR-122), Notice of Incompleteness**

Dear Mr. Bear:

The Division received the TR-122 submittal on November 18, 2020. It did not include a proposed notice of publication. Per Rule 2.07.3 (2), this notice is required in the submittal.

Please contact me if I am mistaken, or send me a letter (through the e-permitting system) and include the proposed notice of publication for my review. If the notice is sufficient, I can then call TR-122 complete. See Rule 2.07.3(2) for the details to be included in the notice.

Thank you,

Robert D. Zuber, P.E.
Environmental Protection Specialist II
