**Re: Notice of Weather Delay, Surety Release Request Application (SL-01)
Ace in the Hole- CMC284074, Permit No. M-2013-056**

Dear Jean Cowman:

The Division of Reclamation, Mining and Safety (Division) received your request for release (SL-01) for the Ace in the Hole- CMC284074, Permit No. M-2013-040, on November 12, 2020.

Pursuant to Rule 4.17 of the Mineral Rules and Regulations of the Colorado Mined Land Reclamation Board for Hard Rock, Metal, and Designated Mining Operations, the Division is required to inspect the site no later than January 11, 2021. However, due to the current weather conditions the inspection must be postponed in accordance with Rule 4.17 until it is feasible for the Division to determine if reclamation has been performed in accordance with the approved plan.

The Division will contact you as soon as weather conditions permit or no later than the May 31, 2021 to determine a suitable date and time to inspect the site.

If you need additional information or have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8132**, or by email at elliott.russell@state.co.us.

Sincerely,

Elliott R. Russell
Environmental Protection Specialist
