**RE: Riverside Parkway, Performance Warranty Release, Permit No. M-2007-005,
Revision No. SL-2**

Dear Mr. Timothy:

On October 22, 2020 the Division of Reclamation, Mining and Safety (Division) received a request for release of reclamation responsibility for the above referenced site. This site is now permitted under M-2020-038 therefore there is no lapse in jurisdiction. On November 30, 2020 the Division approved the full surety release, SL-02, for permit No. M-2007-005.

According to Rule 1.4.11(1)(b), the Division must wait 30 days from the date of this letter, before releasing the performance warranty, in order to address any comments or objections to this decision. If you have not received the performance warranty by January 30, 2021, please the Division.

If you require additional information, or have questions or concerns, please feel free to contact me.

Sincerely,

Amy C. Yeldell
Environmental Protection Specialist
