Subject: M-2013-064 – **Request for a Continuance** – Varra-Coulson Resource Project –  
Technical Revision.

Please accept this request to extend the review period an additional 30 days from the scheduled 2 December 2020 Decision Date, to provide additional time for the Office to reply to our adequacy correspondence submitted on 23 November 2020. The next Decision Date should fall on 2 January 2020 if not otherwise approved by the Office prior to that time.

Trust your holiday was good to you. Thanks, Peter.
