**Re: Varra Companies, Inc., Varra-Coulson Resource Project, File No. M-2013-064,  
Technical Revision No. 1 (TR-01); Decision Date Extension Request Approval**

Mr. Janes:

The Division of Reclamation, Mining and Safety (Division/DRMS) received and approved the request for a 30-day extension to the decision date for the Varra-Coulson Resource Project technical revision.

**The new decision date is January 1, 2021.**

The Applicant's request to extend the decision date nullifies the automatic approval provision in Rule 1.9.1.
