Dear Amy:

On behalf of Fountain Mutual Irrigation Company (FMIC), I am respectfully requesting a one (1) week extension for the review our submittal of the Construction Materials Specials Operations 111(1)(b) Reclamation Permit Application Forms for the referenced permit submitted to your office on Tuesday, December 1, 2020. Per your email sent to me on November 24, 2020, there appeared to be some errors or incomplete information that needed to be corrected for this permit application that can be remedied within the next week extension.

FMIC would appreciate this additional time to make these corrections and resubmit the correct permit application forms. Thank you for your consideration of this extension.

Respectfully,

**Gary L. Steen, P.E.
