Revision No. SL-1**

Dear Ms. Brossman:

On December 9, 2020 the Division of Reclamation, Mining and Safety considered your request for a surety (reclamation liability) release. The Division found that reclamation had not been accomplished at this site and denied this request. Please review the attached inspection report for the specific reasons for the financial warranty release denial.

If you have any questions, please contact me.

Sincerely,

Timothy A. Cazier, P.E.
