**Re: Bennett Pit, Permit No. M-2016-085, Financial Warranty Reduction Approval,
Revision No. SR-01**

Mr. Zadel:

On December 14, 2020 the Division of Reclamation, Mining and Safety (Division/DRMS) approved the request for a Financial Warranty Reduction to \$1,556,607.00. This is a reduction of \$442,137.00. This decision reduces the amount of the financial warranty, and does not approve any release of reclamation responsibility for the tasks associated with this request.

Please provide a rider to the current Financial Warranty, or submit a new Financial Warranty reflecting this reduction. If you wish to submit a different type of Financial Warranty, please contact our office for the applicable form.

If you have any questions, please contact me at peter.hays@state.co.us or (303) 866-3567 Ext. 8124.

Sincerely,

Peter S. Hays
Environmental Protection Specialist
