Good Morning Will,

Due to restrictions of the COVID-19 situation the Division has elected to conduct a modified release process to complete the full and final release of your permit area. We will conduct this release via email so you do not need to print or sign any documentation, I will just need email verification from you. Once the email verification is received, I will begin the revision process and send notices to the appropriate parties to begin the 15 day comment period. Once the comment period is over we can complete the release and get your bond refunded to you. Please respond to this email if the following information is correct:
