Amendment Application (AM-7)**

Dear Mr. Scott:

In response to your letter of November 13, 2020 concerning the referenced Amendment Application (AM-7), attached please find the initial comments of the Town of Morrison, detailing the present compliance and/or noncompliance status of the operator of the Morrison Quarry under the Town's land use regulations, and in particular, the 1998 Planned Unit Development (PUD) plan for the same. The Town requests that the Division require compliance with the Town of Morrison Land Use Code requirements as a condition of any approved amendment for the referenced operation.

Please do contact me if this correspondence raises questions.

Sincerely,

Kara Winters
