**Re: Pikeview Quarry, Permit No. M-1977-211, Financial Warranty Reduction Approval,
Revision No. SR-2**

Mr. Mineo:

On November 24, 2020 the Division of Reclamation, Mining and Safety approved your request for a Financial Warranty Reduction to \$13,389,784. This is a reduction of \$1,610,216. This decision reduces the amount of the financial warranty, and does not approve any release of reclamation responsibility for the tasks associated with this request.

Please provide a rider to the current Financial Warranty, or submit a new Financial Warranty reflecting this reduction. If you wish to submit a different type of Financial Warranty, please contact our office for the applicable form.

If you have any questions, please contact me.

Sincerely,

Timothy A. Cazier, P.E.
Environmental Protection Specialist
