Hello,
I think that will work.
I am out in the field the rest of the week if I was in the office I think it will only take me a couple days. I hope to have it all back to you by next week.
However, getting in touch with my map guy and Ken Klco might prove to be difficult.
30 days will work.
Thank you.
Zac

Zac, How long would you like to extend the decision date? 30 days?

I need to request an extension. I cannot answer your adequacy review questions by the end of this week. I am not in the office the remainder of the week.
Thank you,
