Good morning Rob! We are still waiting on Bowie's corporate attorney to furnish the updated O&C. Could we get a one week extension, have the response due by 1/22? Thanks!

Hi, Tamme.

January 22 (next week) is acceptable for you all to submit that Minor Revision updating the ownership and control information in the PAP for Bowie #1. As a reminder, please also address any changes to the T&E list; if there have been no changes, you can state that in the MR cover letter if you want.

Thanks,
Rob
