

This topographic map displays a mountainous region with contour lines indicating elevations such as 7900, 8000, 8100, and 8600. A grid system is overlaid, with horizontal labels E31500, E31550, E31600 and vertical labels 13, 14, 24. The map features several colored lines: a prominent yellow line forming a large boundary, green lines following a path or ridge, and orange lines connecting specific points. A brown shaded area is located in the upper left. Twelve points are marked with red squares and labeled as follows:

- NE-01-20
- NE-02-20
- NE-03-20
- NE-04-20
- NE-07-20
- NE-09-20
- NE-10-20
- NE-12-20

Additional labels on the map include 'R 68 W' and 'R 67 W' on the right side, and numbers 1, 2, and 24 near the bottom. The map also shows a dashed line and various smaller contour lines and features.
