Good Afternoon Ms. Carrigan,

The Division of Reclamation, Mining, and Safety (Division) received your noise complaint today regarding the Todd Creek Village Metropolitan District's Signal Reservoir No. 1 Expansion (M2017-013) located on E 168th Ave between Quebec St. and Yosemite St.

The Division does not have jurisdiction over noise matters. However, a copy of your complaint was forwarded to Adams County because they have jurisdiction on noise complaints.

Additionally, the Division will be conducting an inspection at the site to verify the operation is operating in accordance with the approved permit and the Act and Rules.

Please let me know if you have any questions.

Thank you,
Patrick

Thank Mr. Lennberg for your timely response. I was contacted yesterday by Don with the Todd Creek Metropolitan District and he indicated he will be addressing my concerns. Thanks again.
