RE: Penrose Pit - File No. M-1987-131,
Amendment Application (AM-3)

Dear Ms. Schreiber:

On January 29, 2021, the Division of Reclamation, Mining and Safety received your Amendment application for the Penrose Pit 112c Construction Materials Reclamation Permit located in Fremont County. All comment and review periods began on January 29, 2021, and a decision date has been set for April 29, 2021.

Within ten (10) days of this letter, you must publish notice in a newspaper of general circulation in the locality of the proposed mining operation once a week for four (4) consecutive weeks. Immediately after the first publication, mail a copy of the notice to all owners of record of surface and mineral rights, holders of any recorded easements, and all owners of record of lands that are within 200 feet of the boundary of the affected land. Proof of notice and mailings, such as Certified Mail - Return Receipt Requested, must be submitted to the Division of Reclamation, Mining and Safety prior to the decision date. Additionally, any changes or additions to the application on file in our office must also be reflected in the public review copy which has been placed with the El Paso County Clerk and Recorder.

The Division is reviewing your application to determine whether it is adequate to meet the requirements of the Act. We will contact you if additional information is needed.

Please be reminded that all operators must contact the Colorado Department of Health, Water Quality Control Division regarding storm water permits.

If you have any questions, please contact me.

Sincerely,

Timothy A. Cazier, P.E.
Environmental Protection Specialist
