**Re: Iverson Mine, Permit No. M-2011-001, Financial Warranty Release Denial,  
Revision No. SL-02**

Ms. Mikulas:

On February 11, 2021, the Division of Reclamation, Mining and Safety (Division/DRMS) considered your request for a final financial warranty release. The Division found that reclamation had not been accomplished at this site and denied this request. Please review the attached comment letter from the Division of Water Resources for the specific reasons for the financial warranty release denial. In addition, if you have past due annual fees or unpaid civil penalties, your financial warranty cannot be released.

If you have any questions, please contact me at [peter.hays@state.co.us](mailto:peter.hays@state.co.us) or (303) 866-3567 Ext. 8124.

Sincerely,

Peter S. Hays  
Environmental Protection Specialist
