Mr. Cazier,

Re: Langston Concrete Inc.
Fremont County, Colorado
Langston Borrow Pit – New 112c Application

Langston Concrete Inc. would like to make a commitment to the Division to not mine within 200' of the Provenzano residence located at 100 South Dewey Avenue in Florence, CO. 81226.

We will stay vigilant in the efforts to obtain a structure agreement with the residence owners in the mean time. And will provide the agreement with to the Division once it is obtained.

Thank you,

Zac Langston
