RE: Wiley Pit, Permit No. M-1977-223, Withdrawal of Application for Transfer of Permit and Succession of Operators (SO-02)

Ms. Hendren:

On February 23, 2021, the Division of Reclamation, Mining and Safety (Division) received your request to withdraw the Succession of Operators Application (SO-02) which was submitted to our office on December 28, 2020 for the Wiley Pit. Please be informed, the SO-02 application has been withdrawn from further review.

Because the existing Permittee Name "Five Rivers Ranch Cattle Feeding, LLC" has been re-registered with the Colorado Secretary of State, there is no longer a need to change the Permittee Name through the Succession of Operators process.

If you have any questions, you may contact me by telephone at (303) 866-3567, ext. 8129 or by email at amy.eschberger@state.co.us.

Sincerely,

Amy Eschberger
Environmental Protection Specialist
