Good Morning Everyone,

We are scheduling to put the next shot off at RCQ on March 2, 2021 between the Permit hours of 8 am to 3pm, with an estimated time for shot initiation at noon pending weather and or mechanical issues. This will be a correction shot on the North end of bench 7. Ken, I will give you a call approximately one hour before shot time so you can prepare for the blast. If anyone has any questions or concerns feel free to contact me.
