Notes:

1. Dirt that had been removed from Sub-quadrant 1 and placed on Sub-quadrant 20 will be returned to Sub-quadrant 1.
2. This process will be repeated for all Sub-quadrants.
3. Grasses occurring in each Sub-quadrant will be set aside and replaced in the same Sub-quadrant once it is refilled.
4. Seeding will be applied as stated earlier, raked and compressed.

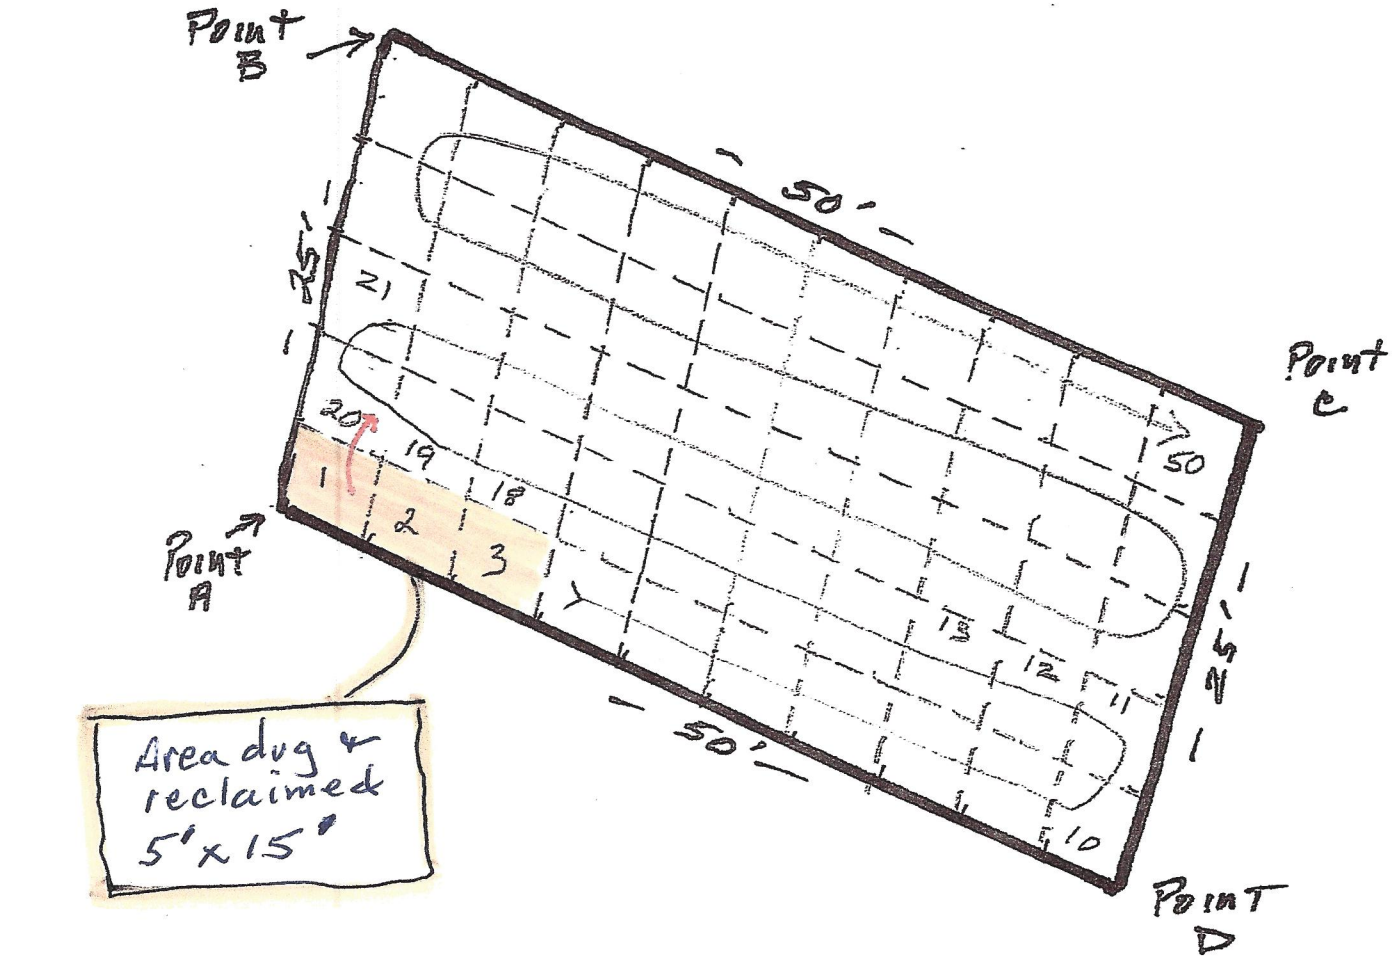
Mining Plan Map

Operator Name: Robert Berry
Site Name: Robert Michael #1 A
Mining Claim #: CMC287911



Notes:

1. Digging will commence at Point A, sub-quadrant #1.
2. We anticipate digging a hole approximately 5' square and placing the removed dirt on the adjacent 5' square sub-quadrant #20.
3. We anticipate that digging will move toward Point D and continue in a zig zag fashion to the opposite corner of the designated mining area.
