**Re: Miller Gravel Pit, Permit No. M-1982-112, Technical Revision Approval, Revision No. TR-05**

Mr. Davis:

On February 25, 2021, the Division of Reclamation, Mining and Safety (Division) approved the Technical Revision application (TR-05) submitted to our office on February 18, 2021, addressing the following:

*Revise the reclamation seed mixture to be more suitable to the final land use and conditions at the site, adding two separate seed mixtures - one for the pit floor and one for pit slopes.*

The terms of the Technical Revision No. 5 approved by the Division are hereby incorporated into Permit No. M-1982-112. All other conditions and requirements of Permit No. M-1982-112 remain in full force and effect.

If you have any questions, you may contact me by telephone at (303) 866-3567, ext. 8129, or by email at [amy.eschberger@state.co.us](mailto:amy.eschberger@state.co.us).

Sincerely,

Amy Eschberger  
Environmental Protection Specialist
