Good Afternoon JC,

Yes, going east from the intersection of CR 9 and CR HH8/10 the gas line has been abandoned. I can meet with you or someone onsite to confirm if needed. My cell number is 719-688-2918. Let me know if you need anything else or have any questions.

Thank you,

Eric –

Just wanted to catch up again to see if you could provide confirmation to me on the gas line that is abandoned that runs east/west along what is thought to be County Road HH 8/10. Last time we discussed it was thought that this line is abandoned and no longer in use east of CR 9 along HH 8/10. I believe we also discussed with Richard Mestas who is also copied on this e-mail.
