Good Morning Everyone,

Our next scheduled shot at RCQ will be a ramp correction shot near the Northwest end of bench 5. We are looking to do this on March 9, 2021 between the permit hours of 8 am and 3 pm pending weather and/or mechanical issues, estimating to be shot around 11 am. Mr. Bishop, I will give you a call approximately 1 hour before shot time so you can prepare for the shot.

Should anyone have any questions or concerns please feel free to contact me.
