Mr. Hoegberg,

On March 5, 2021, the Division of Reclamation, Mining and Safety (Division) applied the following funds from the One Site Prospecting Financial Warranty Check for Deposit in State Treasury for File No. P-2021-001:

Reclamation liability check for \$2000.00 for the Kate2 Project NOI.

Therefore, final approval from the Division for your Notice of Intent to Conduct Prospecting (NOI) For the Viscount Kate2 Project is hereby granted and you may commence operations at this site when the appeal period expires. Pursuant to Rule 5.1.3(d)(iv), the Division's determination will not take effect until the expiration of the five business days allowed for an appeal, or, in the case of an appeal, until the Mined Land Reclamation Board issues its decision.

Also, in accordance with Rule 5.6, an Annual Report and associated fee of \$86.00 per site must be submitted on your notice approval anniversary date for each year following the filing of an NOI until reclamation responsibility release is granted. In addition, Rule 5.3.4 requires the prospector to notify the Division of completion of prospecting operations and Rule 5.7 requires the submittal of a final report for drill holes within 60 days of completion of the abandonment for artesian flow holes and within one year of completion of the abandonment for any other drill holes.
