**RE: Disappointment Valle, Permit M-1980-038, Incomplete Application for Transfer of Mineral Permit and Succession of Operators, Revision SO-01**

Dear Mr. Davis:

On February 26, 2021 the Division of Reclamation, Mining and Safety received the Application Form for Transfer of Mineral Permit and Succession of Operators from Ron Ebberts to Dolores County Road & Bridge Department, for the Disappointment Valle site, Permit M-1980-038. The following items are incomplete for the application to be processed:

**1. Performance Warranty**

- The submitted Performance Warranty for Dolores County Road & Bridge Department was executed incorrectly. Specifically, page 13 of the application package. Please complete the enclosed replacement page 13 and return it to the Division's Denver Office

**2. Legal Right of Enter**

- The demonstration of Dolores County's legal right to enter was not submitted. Pursuant to Construction Materials Rule 6.3.7 please provide written documentation of the Bureau of Land Management's concurrence to transfer the permit as well as a written statement from Dolores County accepting the current reclamation liability of the site.

Please submit the above listed items within 60 days of that date of this letter. The required documentation should be received by the Division's Denver Office no later than **May 10, 2021**. If at the end of the 60 days the items have not been submitted your request to transfer the

minerals permit may be denied. If you have any questions, concerns or need additional information please do not hesitate to contact me at the Division's Grand Junction Field Office, by phone at 303-866-3567 Ext. 8187 or by email at [lucas.west@state.co.us](mailto:lucas.west@state.co.us).
