Jodi and Tony:

I am in the process of reviewing your amendment application. In the interim, I wanted to forward the attached objection letter we received this week for your records. It was a 16 Mb file, so I saved it as a reduced size to email to you. I don't think it's lost any significant resolution, but if you would prefer I send you a hard copy, just let me know and I'll get one in the mail. Or you can download it from our laserfiche weblink by entering the permit number without dashes (M1987131) and looking for the Objection document dated 3/10/2021:

Please let me know if you have any questions.
