Re: File No. M-2020-018, Rincon Materials, 112c Decision Letter - Financial and Performance Warranty Request - Construction Material Operation

Mike Young:

On July 1, 2020, the Division of Reclamation, Mining and Safety approved your 112c mining permit application.

The amount of financial warranty set by the Division for this operation is \$163,973.00. You must submit a financial warranty in this amount and a performance warranty in order for us to issue a permit. The Division understands that the permit is now in the Eagle County approval/denial process. If the Financial and Performance Warranty is not submitted before June 30, 2021, a Mined Land Reclamation Board hearing will be required to extend the decision date beyond 365 days.

PLEASE NOTE THAT MINING OPERATIONS MAY NOT COMMENCE UNTIL A PERMIT HAS BEEN ISSUED BY THE DIVISION AFTER RECEIPT OF YOUR FINANCIAL WARRANTY AND PERFORMANCE WARRANTY. A PERMIT WILL NOT BE ISSUED UNTIL WE VERIFY THE ADEQUACY OF BOTH YOUR FINANCIAL WARRANTY AND PERFORMANCE WARRANTY.

If you have any questions, please contact me.

Sincerely,
