Re: GCC Energy, LLC, King II Mine  
CDRMS Permit # C-1981-035  
Technical Revision No. 30 (TR-30) Initial Submittal  
Old Barn Staging Area & Access Road

Ms. Binns:

Technical Revision TR-30, "Old Barn Staging Area & Access Road" is hereby submitted to propose using the small area surrounding the old barn, which is located 0.83 miles east of the King II mine site driveway on County Road 120, to stage materials and equipment for a Low-Cover Crossing construction project located within OSMRE permit CO-0106C. The staging area is only intended to be utilized during the construction project and will be reclaimed once the project is completed.

TR-30 also proposed to use the driveway area at the King I mine site, between County Road 120 and the settling ponds, as a staging area for materials and equipment for the aforementioned project.

Please find attached an application form, proposed public notice, text pages, maps and appendices describing the project and addressing CDRMS permitting requirements.  
Please find enclosed:
