RE: Aggregate Industries-WCR, Inc. Lyons Quarry (M1977-141) Technical Revision No. 5 - Adequacy Review Response Extension Request

Dear Ms. Eschberger,

Aggregate Industries-WCR Inc. ("Aggregate Industries") is currently obligated to address corrective actions to our Technical Revision (TR) 5 at the Lyons Quarry (M1977-141) by April 5, 2021.

Aggregate Industries is hereby requesting an extension to submit the corrective actions for these items at the Lyons Quarry that were a result of the March 26, 2021 TR-05 adequacy review. We would like to request a deadline extension through May 5, 2021. This should enable to get the corrective actions addressed and submitted with sufficient time for you to review.

We are committed to meeting our obligations onsite, and appreciate your consideration of Aggregate Industries extension request.
