Approval - 1**

Dear Mr. Briggs:

On October 25, 2018 the Division of Reclamation Mining and Safety (Division) received your request to extend the decision due date of TR-12. To further analyze the results found in GW-4 and determine an appropriate path moving forward. The Division is approving the 45-day extension request. The decision due date for TR-12 has been set for May 17, 2021.

Please submit responses to Adequacy Review #1 by May 13, 2021 in order to allow the Division sufficient time for review. If any adequacy issues remain by the decision due date the Division may deny your request.
