Re: Bowie Resources, LLC, Bowie No. 1 Mine  
Permit Map 09a  
Permit C-1981-038

Dear Mr. Zuber:

While reviewing the bond release application for the Run of Mine, it was brought to my attention that Permit Map-09a is not up to date and does not reflect current landownership near and adjacent to the Run of Mine area. According to Rule 3.03.2(1), BRL is required to send written notice to adjacent property owners about their intent to seek bond release. The landowners who were sent notice are up to date based on Delta County's website but do not match land ownership shown on Map 09a.

The following changes that may pertain to interested parties' area as follows:

- ✚ Bowie sold the ROM property to Kirk Morgan in 2018 (ROM Parcel)
- ✚ James Weber sold property to Ronald Spinelli in September 2020 (non-adjacent)
- ✚ Marilyn Mundy sold property to Madeleine Sorkin in June 2020 (non-adjacent)
- ✚ Michael McClellan was not previously shown on Map 09a but obtained ownership in August 2019. (non-adjacent)

Non-adjacent landowners are non-contiguous, but are near the run of mine area and may have an interest in the bond release application.

These changes will be made to Map-09a and submitted as a minor revision application in the near future.

Please let me know if you need any additional information.

Sincerely,

*Tamme Bishop*
