Re: Nix Sand & Gravel Mine – File No. M-2001-046, Ready Mixed Concrete Company, LLC  
Amendment Application (AM-1) (HC #36324)

Dear Mr. Scott:

We received your correspondence dated March 19, 2021 on March 25, 2021 requesting comment under the State Register of Historic Places Act (CRS 24-80-1 et seq.) for the proposed action.

A search of our database indicates that no properties of historical significance included or nominated for inclusion in the state register have been recorded within the proposed permit area. Please note, as most of Colorado has not been inventoried for cultural resources, our files contain incomplete information. Consequently there is the possibility that as yet unidentified cultural resources exist within the proposed permit area. The requirements under CRS 24-80 part 13 apply and must be followed if human remains are discovered during ground disturbing activities.

We thank you for the opportunity to comment. If we may be of further assistance, please contact Mark Tobias, Intergovernmental Services Manager, at (303) 866-4674 or [mark.tobias@state.co.us](mailto:mark.tobias@state.co.us).

Sincerely,

Steve Turner, AIA  
State Historic Preservation Officer
