Big R Pit – M-1988-052

Amy,

In response to the two open items on the inspection report for the Big R Pit:

1. Financial Warranty – we will be posting the additional monies due for the increase as described in the inspection report.
2. Reclamation Success – we do not intend to reclaim the site. Due to COVID-19 we were delayed in moving forward with our plans to use the materials from the Big R Pit. We will be using the materials in 2021 and subsequent years.

Thank you for your assistance through this process.

Sincerely,

Ranko Mocevic  
Manager
