

Soil Test

Name: Steel Rose 1, Inc

Date: 5-4-21

Phone Number: 719-505-4037

Crop Desired: Grass Flowers Other
 Vegetables Trees

More details (be specific): None until reclamation

Your Analysis:

pH: 7.0-7.5

- Acid
- Neutral
- Alkaline

Active Chemical Soil Constituents:

	None	Low	Medium	High	Remarks
Nitrates (N)					
Phosphorus (P)					
Potassium (K)					

General Recommendations:

Soil's pH is okay, a little more basic than what is recommended — try adding some sulfur to help lower that pH
