Good Morning Ken,

Our next scheduled shot at RCQ is to be on May12th, 2021 between our permit hours and I am estimating it to be set off at 1 PM pending weather and or mechanical issues. It is a floor shot on bench 3, to get the floor on bench 3 to the proper elevation. This shot will be on the North end of that bench. If anyone should have any questions or concerns, please feel free to contact me.

Thanks,

Wayne Stoughton
