RE: Leadville Mill - File No. M-1990-057, Permit Conversion Application (CN-01)

Dear Mr. Michael:

On May 11, 2021, the Division of Reclamation, Mining and Safety filed your Permit Conversion application for the Leadville Mill 110d Hard Rock Reclamation Permit, which is located in Lake County. All comment and review periods began on May 11, 2021, and a decision date has been set for August 9, 2021.

Newspaper publication of a notice (published once a week for four consecutive weeks) regarding the filing of your application and transmittal of a copy of the notice to all owners of record of surface and mineral rights, holders of any recorded easements, and all owners of record of lands that are within 200 feet of the boundary of the affected land is required within 10 days of submittal. You must submit proof of the notice and mailings, such as Certified Mail Return Receipt Requested, to the Division prior to the decision date.

Please be reminded that all operators must contact the Colorado Department of Health, Water Quality Control Division regarding storm water permits.

If you have any questions, please contact me by telephone at 303-866-3567 x 8188, or by email at dustin.czapla@state.co.us.

Sincerely,

Dustin M. Czapla

RE: Leadville Mill - File No. M-1990-057, Union Milling Company, LLC
Permit Conversion Application (CN-1)

Please be advised that on May 11, 2021, Union Milling Company, LLC, whose address and telephone number are P.O. Box 620490, Littleton, CO 80162-0490; (303) 947-3499, filed an application for a/an Permit Conversion (CN- 1) to M1990057, Leadville Mill, which is located approximately 2 miles Southwest of Leadville, Section 20, Township 9S, Range 79W, 06th Principle Meridian, in Lake County.

The Leadville mill is currently permitted as a 110d operation. Union Milling Company, LLC is applying to convert thier existing permit to a 112d permit in order to include cyanide vat leaching, and to allow for future expansion of the tailings facility. Additionally, they are proposing to increase their operating capacity from 200 tons per day to 400 tons per day. The Operation will remain a toll mill.

The application decision is scheduled for August 9, 2021. Written comments or objections to the application may be submitted to and additional information obtained from Dustin M. Czapla at the Division of Reclamation, Mining and Safety, 1313 Sherman St. Room 215 Denver, CO 80203, by telephone at (303) 866-3567 x 8188.

Union Milling Company, LLC is required to publish a public notice, in a newspaper of general circulation in the locality of the proposed mining operation, four (4) times, once a week for four (4) consecutive weeks. In order for statements supporting or objecting to the application, petitions for a hearing, and/or submissions to become a party to be considered timely, such written comments, protests, and petitions for a hearing must be received by the Division not more than twenty (20) calendar days after the last date for the newspaper publication. Written comments, protests and/or petitions must contain the name, mailing address and telephone number of the interested parties. You should contact the applicant for the newspaper publication date. If we do not receive your comments or any objection by the end of the public comment period, the Division will assume you have no objection or comment to the proposed activity.
