Re: Wedding Bell Project (Groundhog Area), File No. P-2021-008, Second Notice of Filing Deficiency

Dear Mr. Guilinger:

On May 3, 2021 the Division of Reclamation, Mining and Safety (Division) received your Notice of Intent to Conduct Prospecting. In addition to our initial review dated May 10, 2021 further review has discovered the following item must be addressed before your application can be considered filed:

1. **Form 1 (DRMS Use and Confidential File).**

When the two applications, file number P-2021-008 and file Number P-2021-009 were submitted, you submitted Form 2 only for P-2021-008 and only Form 1 for File Number P-2021-009. Both applications must contain both Forms 1 and Form 2 with all confidential information being contained in Form 1 and all public information in Form 2. Please submit Form 1 for File No. P-2021-008 with all required information, including all confidential information.

Please provide us with the information we have requested as soon as possible. If you have any questions concerning our request, please contact us.

Sincerely,

Lucas J. West

Environmental Protection Specialist
Division of Reclamation, Mining and Safety
