Re: M-2021-007 Salisbury Gladstone LLC, Gladstone Toll Mill
Response to Notice of Objection Dated May 11, 2021

Dear Mr. Hays:

I am writing this letter as a manager of Stanley Mining Company, LLC of which I am a part owner along with two of my family members, in reference to the letter dated May 19, 2021 which was sent to you by Angela Bellantoni on behalf of Salisbury Gladstone, LLC.

Stanley Mining Company, LLC has entered into a seventy-year lease with Stanley Mines Adventure Park, LLC for the portion of the Stanley Mining Company property which fronts on Stanley Road and borders the Salisbury Gladstone, LLC property on which the Gladstone Toll Mill is proposed to be constructed.

Ben Miller is one of the managers and owners of Stanley Mines Adventure Park, LLC and is a mining engineer by profession. On behalf of Stanley Mining Company, LLC, I have authorized Mr. Miller to be the representative of Stanley Mining Company, LLC in connection with all matters pertaining to the Gladstone Toll Mill proposed by Salisbury Gladstone, LLC.

We were shocked to see that Salisbury Gladstone, LLC had trespassed on the Stanley Mining Company property, destroyed trees and had begun to construct an access road over the Stanley Mining Company property for none of which they had even asked for permission and for which they had certainly not been given permission. Based on this history of recent trespass and damage, I am asking that you oversee closely the activities of Gladstone Toll Mill.

Thank you for your consideration of the foregoing. If there is anything further that you need from me regarding Ben Miller's authorization to speak for Stanley Mining Company, LLC, please let me know.

Yours very truly,

Bernard C. Huger
