**RE: Loesch Pit, Permit No. M-1981-068, Inspection Response**

Dear Mr. Grant:

On May 24, 2021 the Colorado Division of Reclamation, Mining, and Safety (Division) was formally notified that though the property, which includes the above mentioned site, is for sale, no such transfer has occurred to date. The Division acknowledges that Mr. Wintermoyer is not the prospective operator. Division staff was under the impression that this was the case during the inspection and reported it as such in the April 15, 2021 inspection report. The Division would like to apologize for any inconveniences that may have been caused.

If you have any questions, please contact Amy Yeldell.

Sincerely,

Amy C. Yeldell  
Environmental Protection Specialist
