**RE: Gunnison River Gravel Pits, Permit No. M-2009-048, Inspection Report Problem, Corrective Action
30-Day Extension Request Approval**

Dear Mr. Weaver:

On June 2, 2021 the Division of Reclamation Mining and Safety (Division) received your request to extend the corrective action due date. These corrective action(s) were the result of an inspection of above mentioned site on March 17, 2021. The Division is approving the 30-day extension request.

To avoid potential future enforcement actions for non-compliance with State Statutes, Rules and Regulations, and/or conditions specified in your permit for this site, you must submit corrective action documentation by **Friday, July 02, 2021**.

If you require additional information, or have questions or concerns, please feel free to contact me.

Sincerely,

Amy Yeldell
Environmental Protection Specialist
