RE: Barlow Pit, M-1974-092
Affected Area Boundary Markers Corrective Action
Extension Request Approval

Dear Mr. Dowling,

On June 9, 2021, the Division of Reclamation, Mining and Safety received your request to extend the due date for the Corrective Action for 7 days. The current decision date is June 9, 2021 and the new decision date will be June 16, 2021. The Division approved your request to extend the decision date to June 16, 2021.

If you have any questions, please contact me at (720) 774-0040 or brock.bowles@state.co.us.

Sincerely,

Brock Bowles

Brock, there have been some delays and scheduling conflicts with our engineer getting the permit boundary surveyed. If you could extend the deadline for another seven days (June 16th) that would give myself and the engineer enough time to complete the permit survey.

Thanks

Ross Dowling
