Re: Revenue Mine, Permit No. M-2012-032, Notice of Continuance

Dear Mr. Briggs:

On May 13, 2021 the Division of Reclamation, Mining and Safety (Division) mailed a Reason to Believe a Violation Exists and Notice of Hearing (RTB) scheduled for the June 23-24, 2021 meeting of the Mined Land Reclamation Board. This notice is to inform you that the hearing has been **continued** and scheduled to appear before the Mined Land Reclamation Board during the **July 21-22, 2021** hearing. The July MLRB hearing will be conducted via Zoom, and you will receive additional information related to that hearing in July.

As we have discussed, the continuance will allow us to continue to discuss potential settlement of this RTB. Please direct any questions regarding the hearing process to Jeff Fugate, DRMS Counsel at jeff.fugate@coag.gov or Lucas West.

Sincerely,

Lucas West
Environmental Protection Specialist
