RE: Mineral Joe Claims, Permit #M-1977-284, Incomplete Application for Transfer of Miner Permit and Succession of Operators, Revision (SO-02) – Request for Extension to File Requested Items

Mr. Czapla:

Highbury Resources Inc. would like to request a thirty day extension to file the items requested by the Division to complete the SO-02 application for the Mineral Joe claims referenced above. As per your discussion with John Eckersley this week, we have contacted Vince Beresford at the Bureau of Land Management to obtain the documentation of the legal right of entry for these claims. Mr. Beresford indicated that he would need to do some research on the claims and would contact Highbury when the research is complete.

Please note also that the Utah office address for Highbury Resources Inc. has changed and is as follows:
