**Re: Nix Sand & Gravel Mine, Permit M2001-046, Amendment Approval, Revision AM01**

Mr. Lamanna:

On June 28, 2021 the Division of Reclamation, Mining and Safety approved the Amendment application submitted to the Division on March 9, 2021, addressing the following:

*AM01 will add 149.6 acres of affected area within the existing 307.2 acre permit boundary and modify the mining and reclamation plans accordingly for a post mining land use of lined water storage..*

The terms of the Amendment AM01 approved by the Division are hereby incorporated into Permit M2001-046. All other conditions and requirements of Permit M2001-046 remain in full force and effect.

As previously discussed, RMCC will be required to post the additional change in liability amount within 60 days of the date on this letter. The revision will not be finalized until the required bond is posted and approved by the Division.

Bond Held:	\$317,000.00
Prior Liability:	\$317,000.00
Change in Liability:	<b>\$6,647,000.00</b>
<b>Total Liability:</b>	<b>\$6,964,000.00</b>

If you have any questions, please contact me.

Sincerely,

Eric C. Scott  
Environmental Protection Specialist
