Hi Tabettha,

Twentymile Coal, LLC would like to request an extension for TR96 until close of business on 7/2/2021. Twentymile Coal intends to remove the request in the TR for an update to Task 1, but retain all other changes and corresponding cost estimates. The request for a brief extension will ensure that Task 1 is appropriately removed from all submittals. Please let me know if you have any further questions.

Thanks,

Samantha Anderson
