Re: Foidel Creek Mine (Permit No. C-1982-056)
Surety Increase No. 3 (SI-3)

Dear Ms. Kawcak:

This letter, in accordance with Rule 3.02.2(4)(a) of the Rules and Regulations of the Colorado Mined Land Reclamation Board for Coal Mining, is to inform you that the Division has issued a proposed decision to withdraw Surety Increase No. 3 (SI-3) for the Foidel Creek Mine.

The Division reviewed the adequacy of the reclamation bonding instruments and the adequacy of the reclamation cost estimate for the Foidel Creek Mine. Prior to the Division's Proposed Decision of SI-3, Technical Revision No. 96 for the Foidel Creek Mine was submitted and approved which increased the liability amount required for the reclamation of the Foidel Creek Mine. Enclosed is the Division's decision form.

You have the opportunity for an informal conference and the right to an adjudicatory hearing as outlined under Rule 3.02.2(4). If you have questions or are in need of additional information, please contact me.

Sincerely,

Tabetha N. Lynch
Environmental Protection Specialist
