Good Morning Everyone,

Hoping everyone had a great 4th of July Holiday and a grand U.S.A. birthday celebration! Our next shot for RCQ is being scheduled for July the 9th between the permit hours of 8 am and 3 pm pending weather and/or mechanical issues. Estimating it to go off around 12 noon. Ken, I will give you a call approximately 1 hour before shot time. This is drill plan #12, shot #10 for the year and is a floor shot on bench 3 on the North end of that bench. If anyone should have questions, please feel free to contact me.
